# Find a hidden place

Can you keep a secret??

If I tell you about a place where there is no known congestion, queues, or hurry. My hiding place, which Akseli Gallen Kallela immortalized in his paintings. The shimmering lakes would enchant anyone, as well as you too with their hundreds of islands and 1,000 miles of shoreline.

So don't reveal it to anyone since the future is hiding here too.

The success stories will and have amazed both at home as well as abroad. And you might have heard about the innovation and inventions already.

# Authentic and traditional at its best

In the heart of Äänekoski is true and helping people. Lively village communities and -parliaments seizing the bull by the horns for the benefit of the towns. You will find traditional tourism products as well as, a variety of events and active leisure activities. And if you are lucky you might meet the official village crazy too. If Sumiainen, Koivisto, and Konginkangas are still not familiar places yet, take a detour on your next trip and let the villagers charm.

- Central Finland's first village school has founded in Konginkangas
- Central Finland's only museum road is in Koivisto
- In Sumiainen there is Finland's shortest river Kuokanjoki, only 3,5 meters
- The old port of Suolahti was completed in 1898
